6. [REDACTED] LIAISON Called Tom Latimer, Staff Director, House Permanent Select Committee on Intelligence, and said that the DCI and the Attorney General wished to discuss with Representatives Edward Boland (D., Mass.), Committee Chairman, Les Aspin (D., Wis.) and Bob Wilson (R., Calif.), both Members of the Committee, their letter reflecting concern on the [REDACTED] finding within the overall 7 June Presidential Findings. I told Mr. Latimer that the DCI and the Attorney General were free on specified days and hours and asked Mr. Latimer to try to line the Congressmen up on one of the three cited days and times. He said that he would get back to me.
